CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

I'm Agin It!

I have just read an article where it says the Game and Fresh Water Fish Commission in Tallahassee plans to ask the coming legislature to enact a law making it necessary for a "cane pole" fisherman to buy a \$1.00 license. I'm agin it! At present the "cane pole" fisherman can sit alongside any stream in Florida and fish, 'tu his heart's content and all he needs is the energy to dig a few worms. If he knows the trick he can use rubber bands and even get out of the worm digging.

But, this thing of assessing a license fee of \$1.00 against the "cane pole" fisherman is a preposterous idea. It is just going to give the Game and Fresh Water Fish Commission in Tallahassee a few thousand more dollars to hire more people to spend more money. There must be an end somewhere. It might as well be now—before they hook the "cane pole" fisherman.

I'm of the opinion that the next legislature will have just enough country boys in it to defeat this silly proposed bill of the Game and Fresh Water Fish Commission. When it comes to passing silly laws not many of them get by that group of fellows in the legislature. So, I'm banking on them this time to toss the insane idea of assessing a "cane pole" license in the waste basket.

At Last! At Last! Devil Netters Win!

The Pahokee Blue Devil Quintet, tiring of their role of underdog, grabbed a rabbit's foot and invaded Boynton Beach Friday evening to break a 10-game losing streak by a narrow one-point margin, 33 to 32.

Feeling their oats the Blue Devil entertained the Lake Worth Trojans at the local gym the following Saturday night in a most satisfactory manner by defeating the Trojans, 37 to 28.

Then just to show local fans that their two consecutive victories were not a fluke they took on the Boynton Beach cagers in a return game at the local gym Tuesday night and downed the visitors, 26 to 26. The Blue Devil B team also trounced the Boynton Beach Bees, 30 to 13. Scoring for Pahokee in Tuesday night's game were Joe Kent Carr, 15 points; Hueston Connell, 9; Ralph Chaney, 7, and Carney Wilder, 5.

Tonight Coach William Howard's Blue Devils will tangle in the local gym with the Vero Beach Indians who walloped the Pahokee five in a most decisive manner earlier in the season. The gym is expected to be packed with fans out to see if the Blue Devils have the stuff to make it four straight victories in a row.

Two-thirds of the 457 passenger cars delivered by Pullman-Standard Car Manufacturing Company to the nation's railroads during 1948 were sleeping cars.

Polio Drive Nets \$282.33 In Pahokee

Public donations to the "march of dimes" polio relief campaign collected at local theatres under the sponsorship of the Pahokee Woman's Club totaled \$278.33. To this sum was added \$3.50, brought to the theatre by the manager of the wild-west show which has been holding performances for children in the city park, representing 10 per cent of the free will offering collected by the show and making a total of \$282.33 turned in by the Woman's Club to Mrs. B. Elliott, local chairman of the polio drive.

Now They're Planning To Charge You To Use A Cane Fishing Pole

TALLAHASSEE—A law which would require Floridians to buy a \$1.00 license for pole fishing in their home counties will be asked of the legislature by the State Game and Fresh Water Commission.

"Cane pole" fishermen, those who do not use rods and reels, can fish free in their own counties at present using as many as three poles if they wish. Licenses must be bought only by non-residents, rod and reel anglers, and persons fishing outside their home counties.

Children under 15 and Florida residents over 65 years do not have to buy licenses now and will remain exempt even if the new law is adopted.

Commissioner Director Ben C. Morgan estimated the county license law would bring in \$500,000 annually. Most of the revenue would be used for water hyacinth control.

If the legislature does not pass the license proposal, Morgan will suggest that part of the tax on gasoline used in boats be devoted to hyacinth control.

The Game and Fish Commission will also ask laws to:

Permit confiscation of hunting equipment used in serious game law violations like shooting deer, hunting at night and hunting in game sanctuaries.

Impose heavier fines for less grave game law violations.

Exempt totally disabled war veterans from buying hunting and fishing licenses.

License frog hunting boats and alligator hunters, dealers and exhibitors.

Levy one cent per pound tax on commercially taken fresh water fish with proceeds to be used in policing the fishing industry.

PREPARE GIFT BOXES

Members of the Pahokee Girl Scout Troop II at a meeting at the First Methodist Church Wednesday afternoon worked on a Valentine gift box for the sixth grade room at the colored school. Emma Hitchcock was appointed chairman in charge of the project. Mrs. E. P. Holt and Mrs. Parnell Enecks, co-leaders of the troop, were present at the meeting.

A puncture-sealing tubeless tire, now available only in a few cities, will be distributed nationally by the end of 1949, reports B. F. Goodrich Company. Production is being increased as rapidly as facilities permit at the company's five tire-building plants.

Pahokee Hopes To Get Federal Bldg.

Pahokee is on the preferred list of cities in line for a new federal postoffice building according to a letter written to the Pahokee Lions Club by Congressman Dwight L. Rogers and read at the club's Tuesday luncheon meeting. Mr. Rogers added that during the current session of Congress it is his intention to sponsor legislation for the appropriation of funds for this project.

The club adopted a resolution which pointed out the inadequacy of the present gymnasium at Pahokee High School and recommended the construction of a new high school gymnasium in the immediate future. The resolution, read by Frank Rozelle, will be brought before other civic organizations for adoption before being forwarded to the County School Board for its consideration.

A musical program was presented at the meeting by a group of students from the Pahokee High School Band including Herbert Walston, who played two cornet solos; Val Galbaldon, two saxophone solos, and Anna Lee Hurt and Carol Snyder who sang two duets. Rita Fay Hurt and Yvonne Fraser acted as piano accompanists. The musicians were introduced by Bandmaster Robert O. Lampl.

Navy Exhibit Will Be In Pahokee Next Saturday Morning

Residents of the Lake Region will have an opportunity next Friday and Saturday to see first hand some of the fantastic weapons developed in the last war. The Navy Club exhibit will be in Belle Glade on Friday and in Pahokee on Saturday.

Included in the exhibit is one of the few suicide buzz bombs built by the Nazi. Its use by the Germans was limited due to their inability to obtain suicide pilots. A similar bomb, the V-1, was used by the Germans with devastating effect on England. The V-1 being robot controlled. The suicide bomb on display is complete with jet motor, pilots cockpit, etc.

Also featured is one of the Diving Torpedoes used by the under sea frog men. This torpedo, operating similar to a submarine and being ridden horseback style by two frog and, could maneuver under a ship at anchor. Detachable warheads and small bombs could be attached to ship hulls and the main part of the torpedo used for escape, or it could be used in suicidal attack on the ship by ramming it.

A number of other trophies of interest are included in this exhibit which is open to the public. No admission is charged, however. Voluntary donations are gratefully accepted and funds so raised help the Navy Club to carry on their extensive welfare and rehabilitation program.

Each new Diesel-electric locomotive now uses approximately 100 anti-friction bearings, says SKF Industries, Inc. Chief applications are on axle journals and traction motors.

Scouts To Take Over Pahokee Government

The city of Pahokee will be "Boys' Town" tomorrow when the Boy Scouts of Pahokee and Canal Point will move into the city hall and relieve city officers of the responsibilities of running municipal affairs, all of which is part of local scout activities in celebration of National Boy Scout Week, Feb. 6-12.

Boy Scouts elected last weekend to serve as honorary city officers for one day, Saturday, Feb. 12, were George Rozelle, Pahokee, mayor; Franklin Howell, Canal Point, chief of police; Wiley Howell, Canal Point, city clerk; Tommy Sheppard and Jimmy Rozelle, Pahokee, and Benny Sims and Gene Connors, Canal Point, councilmen.

Vegetable Men To Meet Next Tuesday

Growers and shippers of fresh vegetables in the Lake Okechobee area will meet at the Belle Glade Town Hall on Tuesday night, February 15. The meeting, which was called by R. Y. Creech, district director of the Florida Fruit & Vegetable Association, will begin at 8 p. m.

The purpose of the session, Mr. Creech said, will be to present to farmers and packers the many important laws now pending before the Congress that affect agriculture, and get from them their ideas as to what they want the Association to do on their behalf. "Some of the proposed laws will add greatly to the cost of producing and marketing our products," Mr. Creech said, "and we have asked LaMonte Graw, manager of the Florida Fruit & Vegetable Association to attend and explain the bills that are now before the Congress. This is an extremely important meeting, and everyone is urged to attend and present his views."

The Florida Legislature will begin its biennial session on April 5. Mr. Graw and Joffre David, of the FFVA shippers division will outline to those assembled the several items of legislation that will probably be presented to that body by the vegetable industry, or which will be forced by others. They include: Proposals for clarifying the laws with reference to the recruitment and transportation of farm workers by crew leaders; strengthening the bonding laws under which itinerant produce buyers are licensed; flood control; and appropriations for agricultural research and extension work.

Mr. Creech pointed out that the 1949 Legislature will have before it many matters that are of vital concern to the vegetable grower and shipper, and now is the time for them to make their wishes known. Members of the Legislature from this area have been invited to attend.

Mr. and Mrs. Lloyd Hundley and their guests from the Midwest will visit Bok Tower at Lake Wales Sunday and leave Monday on a trip to Cuba. While the Hundleys are in Cuba, their sons, John Lloyd and Wayne Scott, will be the house guests of Mr. and Mrs. Louis Vann.

Flood Control Is No. 1 Problem, As Governor Sees It

TAMPA — Gov. Fuller Warren Tuesday labelled flood control the State's No. 1 problem.

In a "State of the State" speech before Tampa's civic clubs, Warren also called curbing of floods the "most terrifying" problem facing the State.

Right behind flood control, the Governor listed getting "a new growth of timber in this State" as the toughest matter the State has to solve.

Warren also led a parade largely composed of American Legion groups. Wearing a Legionnaire cap, he later reviewed the parade at the Florida State Fair.

The occasion was Governor's Day—an annual feature of the Florida Fair. Most of the State's political leaders were on hand for the luncheon, parade and a tour of the exposition.

Reviewing his early days in office, Warren said his temporary plan of central purchasing of State supplies is "gaining headway steadily." The Governor told of a survey being made of State employees to determine those not needed.

He said Florida must "come up with its share of the money" in the vast \$208,000,000 flood control project outlined by U. S. Engineers. He added "there's no choice in the matter."

Warren said he wanted ideas on how to run the State. He added he would "even welcome crackpot suggestions if you have them."

Booster Shots Are To Be Available

All people who were given Typhoid Vaccine Following the hurricane of 1947, should have their booster injection immediately. These must be received in order to continue the protection against Typhoid Fever. Every one desiring inoculations for protection against Typhoid Fever should take advantage of these clinics or see their family physician. Dr. Burton F. Austin, Director of the Palm Beach County Health Department, is announcing the following schedule for the Glades area:

Belle Glade—South Bay and Bean City: White Patients, all ages, Osceola Camp, Feb. 14 from 3 to 5 p. m. Colored Patients, all ages, Okeechobee Camp, Feb. 15 from 3 to 5 p. m.

Pahokee—Canal Point area: White Patients, all ages, Pahokee White Camp, Feb. 16 from 10 to 12 noon. Colored Patients, all ages, Masonic Building, Feb. 15 from 3 to 5 p. m.

BACK TO FRISCO

Gene Vorhees, BCT, U. S. Navy brother of Boyd Vorhees of Canal Point, has returned to the San Francisco Naval Base after several months of overseas duty in China. He expects to be stationed in San Francisco for the next two years and has been joined there by his wife, the former Eris Hudson of Canal Point, and their two children, Patsy and Carl, and they are now making their home in that city at 88 Tulagi Road.

TOO LATE TO CLASSIFY

(By Russell Kay)

Too many times the path of the pioneer, the person or organization that dares to step out along lines which are new, is a pretty rugged one, with whatever rewards due to such initiative coming much later. But in the case of "The Greatest Story Ever Told," the radio program which dramatizes the teachings of Christ, just the opposite has been true. Daring to be different, undertaking to present religion in modern manner on a national network, with innovations in the production, presentation and theory behind the program, it was almost immediately recognized as an outstanding job and ranks today as just about the best program radio has done in the past decade.

At a time when radio is cluttered with an over-abundance of goofy commercials, exaggerated claims, jive and jingle, with listeners warned against the horror of "dish pan hands" or being only "half safe" and even the so-called better programs weakened with boring interruptions by a syrupy female voice cooing the virtues of a "home permanent" or the unbelievable joys of "regularity," it is indeed refreshing to find one program that features no commercial at all.

While "The Greatest Story Ever Told" is sponsored by the Good-year Tire and Rubber Company, no effort is made to commercialize it in any way and no institutional comment is made anywhere in the program. The sponsor is identified at the beginning of the program as required by the Federal Communications Commission, that is all. Not even the sponsor's address is mentioned.

In further contrast to other radio programs, "The Greatest Story Ever Told" is not used as a vehicle to promote or publicize the actors and artists whose exceptional talent make its production possible.

When you can keep an actor from trying to get into the spotlight and taking advantage of everything possible in order to gain more publicity, especially when the play with which he is connected is an outstanding hit, you have something. Yet the top ranking radio stars who take the parts in this amazing program are entirely unknown to the listener.

This distinctive program that so dramatically presents the teachings of Christ has been so well planned and thought out that nothing has been allowed to mar or weaken its sincere and inspir-

ing message. Since no actors are identified with the parts they play, these gripping dramas become twice as real. The name of Peter, the Big Fisherman is not confused in the listener's mind with some modern day radio star, no Cecil B. DeMille is called on to properly introduce those who perform so splendidly and no curtain calls or explanation of next week's program detracts from the forcefulness of the story itself.

The willingness of everyone connected with "The Greatest Story Ever Told" to remain anonymous is just one of the many sincere and unusual things about this program, and one of the reasons why it has reached top rank in listening preference.

Not only the general radio audience, but groups in schools, hospitals, civic and educational organizations have based their classes and meetings on its broadcasts. Recordings of the broadcasts to be used for these purposes are made available at very small cost, again because the actors and musicians have waived the additional fees that are usually paid for such recordings.

Presenting the portrayal of the voice of Christ on the air for the first time was only one of the pioneering innovations of this program, but it was the one that aroused the most concern. Up to this time no one had used the portrayal of His voice on the air. In fact up to this time, no national network show had ever attempted to portray the teachings of Christ in modern dramatic form. To do this, Christ would have to be a living part of the performance; Christ would have to speak just as he spoke almost two thousand years ago.

Clergy, educational and civic leaders were approached on the question. Most felt that it would be quite acceptable if approached in the right way. A few presented argument against it. All of them felt that it would be extremely difficult to get an actor to portray the kindness, humility, compassion, strength and spiritual feeling that would truly represent the Master.

Dozens of actors were tried for the role before one was finally accepted. Acceptance has been entirely favorable from the time the program first went on the air at 6:30 p. m. EST over the ABC network, where it continues now in its third year.

I am grateful to have this opportunity to pay tribute to the sponsors of this splendid program and to the actors and musicians who remain anonymous and unselfishly waive recording fees in order that "The Greatest Story Ever Told" may reach the greatest possible number of people.

From where I sit... by Joe Marsh

Duke Gets His Tractor

Duke Thomas bought a farm with the money he'd saved in the Service, but he couldn't get a tractor. He needed it badly, but was tenth on the local dealer's list.

"Tell you what," old man Peters says, "if those nine fellows ahead of you agree, you'll get the next one I get in." "No, thanks," says Duke, "I'll just take my turn."

But, old Peters mails out nine postcards. And the other day he tells Duke his tractor will be in next week. "I simply wrote the facts to the fellows ahead of you. They decided it."

From where I sit, it's that spirit of understanding that helps make our democracy so great. Understanding for the other fellow's problems and respect for the other fellow's rights—whether it's his right to earn a living, his right to cast his vote against your candidate, or even his right to enjoy a moderate, friendly glass of beer or ale—if and when he chooses. Let's always keep it that way!

Joe Marsh

Screwball Party Proves Hilarious

A "tytrap crissergrop drawkcab," sometimes known as a backward progressive party, was indulged in by a group of young married couples of Pahokee and Belle Glade on Friday night, with Mrs. Jack Phillips, Mrs. J. T. Boynton and Mrs. Ellis Wilkinson acting as hostesses.

The "tytrap" got under way with guests arriving in pajamas at the home of Mrs. Phillips where they were greeted with fond farewells and were served with a dessert course while celebrating Halloween.

After changing to lounging robes, house coats and slippers the group then went to the home of Mrs. Boynton where a mock family reunion was held and a spaghetti supper and salad course was served while the Fourth of July was celebrated with everything but the fireworks.

Still in a dressing mood, the guests then climbed backwards into their daytime clothes and ambled over to the home of Mrs. Ellis Wilkinson to partake of appetizers and coffee, play games and celebrate St. Valentine's day. As the guests backed in to come home the hostess bid them welcome and so ended the "tytrap."

Attending, but not all there, were Mr. and Mrs. W. A. Stevens, Jr., Mr. and Mrs. F. W. Cross, Jr., Mr. and Mrs. Harold Wilkinson, Mr. and Mrs. Paul Tilley, Mr. and Mrs. Johnny Hooker, Mr. and Mrs. Marion Spooner, Mr. and Mrs. Tom Watson, Jr., Mr. and Mrs. Clyde Canipe, Mr. and Mrs. R. L. Brooks, Mr. and Mrs. Mike DiBartolomeo, Dr. and Mrs. R. Y. Crech, Jr., Mr. and Mrs. Lee Berryhill, Mrs. Kathryn Barnes, Wallace Barnes, Mr. and Mrs. Jack Phillips, Mr. and Mrs. J. T. Boynton and Mr. and Mrs. Ellis Wilkinson.

Future Farmers To Sponsor Dance

A St. Valentine's dance party for high school students will be held in the Elks Hall tonight from 10 p. m. until midnight under the sponsorship of the Pahokee Chapter, Future Farmers of America.

A feature attraction during the intermission will be the crowning of the Chapter sweetheart as Queen of the Valentines. The chapter sweetheart is being chosen by popular vote, at a penny a vote, from among five beautiful girl candidates is Betty Lane Reeves; eleventh grade, Johanna McKinstry; tenth grade, Myra Lee Cruikshank; ninth grade, Patsy Elliott, and eighth grade, Rheta Abowd. Voting will continue until the dance intermission at which time election results will be announced and the chapter sweetheart named. The FFA boys wish to thank the public for the fine spirit of cooperation in casting votes for the various candidates at a penny a vote as the monies received will be used to meet the expenses of the dance party and enable all students to attend and enjoy themselves without any admission charge.

Several novelty musical and dance numbers will also be presented during the intermission by Melvin Tillis and Raymond Caruthers, co-chairmen of the program committee. Free refreshments of malted milk and fruit drinks will be dispensed from an orange and dairy bar by a refreshment committee composed of Eugene Caruthers, Benny Thompson, Robert DeLoach, David Ramey, and Danny Hitchcock. First class dance music will be furnished by Robert O. Lamp's high school swing band. Jacob Weeks and John Ogle are general chairmen in charge of arrangements for the dance party.

Lightweight car builder Powell Crosley, Jr., says that the nation's 14,000,000 over-age "ghost cars" annually waste more than eight billion gallons of gasoline.

Mr. and Mrs. Adrain Bramley and daughter, Carolyn, of McMoresville, Tenn., were guests of W. P. Walker and Mr. and Mrs. Robert Walker and family over the weekend.

Willie Neal Has Birthday Party

Mrs. W. N. Neal of Canal Point entertained at the Legion Home Monday afternoon with a party for her son, Willie, on his eighth birthday anniversary.

The hostess used the valentine motif in party decorations. She was assisted by Mrs. Pope Sears, Mrs. Clinton Livingston, Mrs. J. W. Repper, Mrs. R. Young, Mrs. Harris Scruggs, Mrs. Boyd Vorhees, Mrs. John Thomas and Mrs. Leland Pearce. Refreshments of ice cream and cake were served to approximately 50 guests including Willie's second grade classmates.

Strawberry Festival For Plant City

PLANT CITY—Judges who select the queen and six maids of the 14th Annual Strawberry Festival at the high school auditorium here Friday night, will have the largest field of candidates in the history of the event to choose from—67 in all.

The queen will succeed Miss Barbara Alley, daughter of Mr. and Mrs. Fred Alley, of Plant City, and will reign over the five-day festival, March 1-5. Governor Warren will crown the queen at the festival grounds the night of March 3.

John Fritch of Chicago, Ill., is guest of Loren Meredith this week.

Gamot Returns After Seeing Dodge

A. J. Gamot, President of Lake Shore Motor Co., Pahokee, has returned from Jacksonville where he attended a dealer's preview of the completely new-styled Dodge cars, the first models of which will be publicly displayed in his dealership on Friday, February 25.

Mr. Gamot said that although detailed information of the appearance and many engineering and mechanical improvements introduced in the new Dodge could not be revealed prior to the public showing, there are certain general facts concerning the comfort-engineering story behind the new Dodge styling that can be disclosed at this time.

"The primary consideration that influenced the design of the new Dodge were Army statistics which showed that the G. I.'s of World War II were taller, bigger, and more active than their predecessors of World War I," Mr. Gamot said. "As a result, it was apparent that more passenger room, not less, was required in the modern automobile to comfortably accommodate our physically larger generation."

FOOD SALE

A benefit baked foods sale will be held at the Canal Point Methodist Sunday school building tomorrow starting at 11 a. m. The sale is sponsored by members of the Canal Point Methodist Woman's Society of Christian Service most of whom are artists when it comes to baking delectable pies, cakes and cookies.

Dr. and Mrs. R. R. Long have as their guests Mr. and Mrs. E. R. Canada of Danville, Ind.

NOTICE OF ANNUAL MEETING OF LANDOWNERS OF PAHOKEE DRAINAGE DISTRICT

Notice is hereby given that, pursuant to call of the Board of Supervisors of Pahokee Drainage District, the annual meeting of the landowners of Pahokee Drainage District for the year 1949 will be held at the office of said District in the Post Office Building at Canal Point, Palm Beach County, Florida, on Friday, February 25, 1949 at 10:00 o'clock in the forenoon for the purposes of:

1. Electing two Supervisors, one for a term of one year and one for a term of three years.
2. Receiving annual reports and taking such action with respect thereto as the landowners may determine; and
3. Transacting such other business as may come before the meeting.

BOARD OF SUPERVISORS OF PAHOKEE DRAINAGE DISTRICT

By R. Y. Patterson, President.
Publish: Feb. 4, 11, 1949.

ADVERTISEMENT FOR BIDS

Sealed bids will be received by the City Council of Pahokee, Florida, in its office at the City Hall, Pahokee, Florida, at eight o'clock P. M. E. S. T., February 22, 1949, at which time and place all bids received will be publicly opened and read aloud for furnishing all material labor and constructing a Hospital Building for the City of Pahokee, Florida.

Any bid or bids received after the specified time and date will not be opened or considered.
Each bid must be accompanied by a bid bond in the amount of 5 percent of the base bid and made payable to the City of Pahokee, Florida, as a guarantee that if awarded the contract the bidder will immediately enter into a contract and furnish a Performance Bond in the sum of 100 percent of the contract price.

All work must be done under the supervision of and in accordance with plans and specifications prepared by William Manly King, Architect, 835 - 37th Street, West Palm Beach, Florida.

All requests for plans, specifications, contract documents and forms for use in submission of bids must be addressed to William Manly King, Architect, 835 - 37th Street, West Palm Beach, Florida.

A deposit of \$25.00 must be made for each set of plans, specifications and contract documents, which deposit will be refunded upon return of plans and specifications in good condition, within five days after the awarding of the contract thereof. Contractors desiring more than one set of above plans and documents will be required to deposit \$25.00 for each set. Deposit of \$25.00 will be returned on one set only, on each additional set \$10.00 will be refunded. Sub-contractors will also be refunded \$10.00 only.

Either a certified check or a Cashiers check made payable to William Manly King, Architect, will be acceptable in lieu of cash.

Any contractor securing a set of plans, specifications and contract documents, who fails to submit a bona fide bid will forfeit his deposit made for the plans and specifications.

The City Council of Pahokee, Florida, reserves the right to waive technicalities and formalities in any bid or bids received.

The City Council of Pahokee, Florida, also reserves the right to reject any or all bids received.
Each bidder's qualifications must be satisfactory to the City Council of Pahokee, Florida.

No bids may be withdrawn within 15 days from date of opening.

Press Directors In Business Session

TAMPA—Officers and directors of the Florida Press Association met here last weekend for a business session and to attend the Florida State Fair. Plans were made for the Spring meeting of the Association to be held at Gainesville on March 18, 19 and 20.

The conventions of the Associated Dailies of Florida and the Associated Press Association of Florida will be held at the same time. Louise Wadsworth, president, of Live Oak, Lloyd Herrin, Callahan, legislative committee chairman, Russell Kay, secretary, and Kenneth Ballinger, Tallahassee, legislative representative, outlined the topics for discussion.

William Pepper, publisher of the Gainesville Sun, explained to the group that the Sun and the University of Florida will be joint hosts for the meeting. He was accompanied to the meeting by Allen Skaggs, the university's director of publicity.

Rev. and Mrs. Elmo Scoggin and Mr. and Mrs. Dow Geiger spent Monday through Wednesday on an outing at Fisheating Creek.

Non-Workers Use Belle Glade Office

At the beginning of February there were 522 persons seeking work through the Belle Glade office of the Florida State Employment Service according to A. M. Larrimore, manager. Three hundred thirty six of these persons were veterans and 69 were females. The largest single occupational group of unemployed workers was agricultural workers who have been unable to find steady work since the freeze in early January.

Placements made through the local office numbered 112 during January 1949, including 80 agricultural and 32 non-agricultural. Twelve of the non-agricultural placements made during January were veterans and 5 were women. In January 1948, total placements numbered 33, all of which were non-agricultural.

A representative of the Florida State Employment Service will be in the City Hall in Pahokee every other Tuesday (February 15, March 1, etc.) from 9:30 a. m. to 12:00 noon to service the Pahokee-Canal Point area.

Earl Meredith Has Birthday Party

Mr. and Mrs. Earl E. Meredith entertained Friday evening with a party for their son, Earl Douglas, who was celebrating his eleventh birthday anniversary. After the guests assembled at the Meredith home they were taken to rink at Belle Glade where an evening of skating was enjoyed. Later the group returned to the Meredith home where refreshments of ice cream and cake were served.

Guests were Annette McIntosh, Phoebe Ann Ramey, Kay Friend, Jeannine Mock, Judy Starling, Olive Gonsales, Daniel Howes, Philip Dulany, David Cunningham, Pat Elliott, Allen Segree, Jon Pope, Nealy Johnson and Earl Douglas.

TO ASSIST VETS

M. E. Fenton will be in Pahokee on February 15, from 8:30 a. m. to 4:30 p. m. located in the Veterans Service Office in the City Hall for the purpose of assisting all veterans and their dependants with any claim for benefits which they may be entitled on account of their military service.

The above service includes assistance to widows, children and dependent parents of a veteran in addition to any claim for compensation or benefits that the veteran may wish to file under the "G. I. Bill".

Mrs. Edwin Dannelly has been ill at her home in Canal Point the past week.

ATTEND OES MEET

Among those from the Pahokee Chapter who attended the OES meeting in Belle Glade on Thursday night of last week honoring Mrs. Emma Saunders associate grand conductress of the Florida Grand Chapter, Order of Eastern Star, were Mrs. Dorothy Graham, Mrs. Jessie Barnes, Mrs. Pearl Hamilton, Mrs. Etta Mae Friend, Mrs. Mabel Young and Mr. and Mrs. A. Q. Howell.

On Monday night the Pahokee Chapter was represented at an OES friendship meeting in Fort Pierce by the same group plus Mr. and Mrs. Malcolm Millar, Mrs. Ruth Carpenter and Mrs. J. T. Holden.

PAHOKEE

Pahokee Methodists Will Have Revival

The First Methodist Church of Pahokee announces that the pastor, Rev. C. T. Howes, will use as sermon subject next Sunday Morning "After-Death-What?" The senior choir will sing the anthem under the direction of Glenn Abbing and also lead the congregational singing. The service will be broadcast over Radio Station WSWN through the courtesy of the Western Auto Stores of Pahokee. The evening service will be featured by the singing of the Youth Choir and congregational singing under the direction of R. O. Lampi and will show the Sound Movie entitled "Simon Peter" which is a portrayal of the life of Peter, the Apostle. This feature of the service will be brought by the assistance of Miss Kathryn Leaf of the Home Missions Council of North America.

The Church is glad to tell of the forthcoming plans for the One-Week Revival Meeting which will be held February 27 through March 6 with services each week day except Saturday at 10:00 a. m. and 7:30 p. m. with Dr. H. H. Walter, District Superintendent of the Tampa District of the Methodist Church as preacher. Rev. Paul Haines of Wilmore, Kentucky as Song Leader and Thomas F. Walter of Macon Georgia as Pianist.

Cinematic Chatter

By Malcolm Millar

Some way or other the story of a "good guy" who becomes a "fall guy" always seems to run into the humorous. Such is the story of "Good Sam". Its the story of good deeds that backfire and disturb the peaceful life of an interesting American family. It's a comedy that sparkles with wit and humor, and it is to be screened at the Prince Theatre, Sunday-Monday. Gary Cooper is the role of a man who cannot say no to any demands on his charity. Ann Sheridan is starred as his patient but sometimes exasperated wife, and there is a cast of supporting players who all render faultless performances to make this a delightful comedy of domestic life in America.

Yes, I am quite sure you will enjoy every moment of this wholesome comedy, "Good Sam". See you at the movies—Mal.

MYF SCHEDULES

VALENTINE'S PARTY

The Women's Society of Christian Service of Canal Point Methodist Church is holding a baked goods sale Saturday in the Sunday School building.

"Our Last Hope" is the subject of the Pastor in the 10:50 service. Our Sunday School contest continues with the Subject today, "Jesus Faces Opposition."

Evening Vesper Chimes at 6 p. m. with Junior and Senior Fellowships meeting at 6:45 in the Sunday School building, and the sanctuary respectively.

Evening Service at 7:30 with the sermon "Conditions" leading to Religious awakening."

The Glades Ministerial Association meets Monday at 11:00 at Belle Glade Baptist Church. Rev. Howes will address the group.

The Youth Fellowship February Social will be in the nature of a Valentine's Party and will be held in the Sunday School building at 7:30 Tuesday Evening.

"The Christian World View" is the closing Topic of the Pastor's Study Course on Wednesday evening at 7:00. Choir rehearsal will follow at 8:00.

PTA MEETING

The Pahokee PTA will meet Monday night at 8 p. m. An executive board meeting will be held at 7 p. m. The evening's program will be under the direction of Mrs. C. L. Shirley and Mrs. Parnell Enecks. It will be a "Founder's Day" program.

Mr. and Mrs. Frank Rozelle had as guests over the weekend their son, Frank, Jr., student at Southern College, Lakeland, and his roommates, Bob Buchanan.

Ice Show Planned For Orlando Fair

ORLANDO — "Ice Vagues of 1949", first ice show ever to appear in Central Florida, will be the chief entertainment attraction at the 37th annual Central Florida Exposition, to be held here from February 21 to 26, inclusive.

A cast of 75 internationally famous skating stars will be presented in a magical ice spectacle featuring speed, precision, rhythm, breath-taking skill and all the splendor of silver blades can afford.

The show will be held in the Orlando Municipal Auditorium within the Central Florida Exposition grounds. Exhibits of the products of farm, garden, ranch and grove, as well as domestic science, floral, needlework, crafts, educational and industrial arts displays are expected to be larger, more varied and of better quality than ever before, according to Claude H. Wolfe, president of the Exposition.

Special features will include a club darts and heifer show, 4-H poultry and egg show, Boy Scout and Girl Scout exhibits, a rabbit show, a photography contest, community exhibits from Appoka, Christmas, Conway, Lockhart, Cocoa, Union Park, Winter Garden and Zellwood, and official exhibits from Orange, Lake, Seminole, Brevard, Volusia, St. Johns and Osceola counties.

Three New Canals Said To Be Needed

TALLAHASSEE — Col. A. G. Matthews, chief engineer of the state division of water control and research, said Monday that plans for flood control in the upper St. Johns river valley call for construction of three new canals at a cost of \$10,601,000.

The canals, part of the \$208,000,000 federal-state flood control project, would run from Pinpoint, Washington and Wilmington lakes eastward across the ridge to the Indian river in the Martin, St. Lucie, Indian river and Brevard counties area.

They would be provided with "highly efficient" control works capable of handling the heaviest floods and preventing over-drainage, Matthews said.

He added that another \$10,424,000 project is proposed for the prairie country in the area of the north fork of the St. Lucie river.

This project would provide control works on the Belcher and diversion canals and establish a new canal and control structures along the Martin county line.

Sunshine Park Is Enjoying Good Play

SUNSHINE PARK—Officials of Sunshine Park Racing Association have been pleased with the attendance at the West Coast track, which has broken records already in its first four days of operation.

The track attendance mark was shattered on the opening day, when 4,512 persons witnessed the opening of the third season under the present management. Even a rainy Saturday failed to put a crimp in the upward trend in mutual play and attendance, which showed a 26 per cent increase for the first four days over the same period last year.

The mutual play through Saturday totaled \$414,692 in comparison to the 1948 play of \$33,220.

Sunshine Park officials have conducted an extensive advertising campaign throughout the North, calling attention to the many attractions on the Florida West Coast and they feel that this advertising, as well as the campaign in Florida have resulted in many people being attracted to the West Coast and Sunshine Park.

A number of improvements have been made at the track in order to provide more comfort for the people who attend the races. The track itself has been rebuilt. Improvements to the stables have been made. Landscaping work has already been started on a program of beautification for the park.

Farm Bureau Talks About The Cow Law

FORT PIERCE — Directors of the Florida Farm Bureau have gone on record to support "no fence" legislation but instructed the Bureau's legislative committee to attempt to secure an amendment to the proposed bill to provide that counties voting themselves out from under the statewide bill would be responsible for fencing only hard-surfaced roads within their borders.

Statewide forest fire control legislation was also favored at the meeting, provided it is approved by the voters in a general election referendum.

In other action the board went on record as favoring an initiative referendum and recall bill; supporting and commending Governor Warren's citrus committee's efforts to secure higher internal quality standards for fresh fruit; elimination of the federal tax on oleomargarine, if coupled with the requirement that oleo be given a distinctive color difference from butter.

The board voted to send a representative, A. V. Saurman, of Clearwater, to Washington to join with representatives of other interests in urging increased government purchase of citrus concentrates for school lunch and export purposes during the next 45 days; and went on record as favoring employment by the state bureau of two more field men to aid in county farm bureau work.

Personal

Those attending the Methodist Miami District laymen's meeting at the White Temple Methodist Church in Miami Monday night were A. B. Harrington, Leonard Maxson, D. L. Hooks and Rev. Ralph A. Fuller of Canal Point and J. V. Thomas, O. B. McClure and Rev. C. T. Howes of Pahokee. Bishop Short of Jacksonville was speaker at the meeting.

Mrs. H. B. Cross was able to return home Monday from Good Samaritan Hospital, West Palm Beach, where she was a patient the past week.

Mrs. Peter Chiviges of Fort Lauderdale, the guest of Dr. and Mrs. L. W. Armstrong over the weekend, was accompanied to Miami Monday by Mrs. Armstrong.

Mr. and Mrs. Joe Hatton, Sr., and daughter, Dorothy, are spending a week on the West Coast in the interest of Mr. Hatton's health.

Mr. and Mrs. Graham Mole and sons were called to Jacksonville Sunday by the illness of her father, J. Conner, who is a patient in a hospital there.

Mr. and Mrs. F. M. Wilson had as guests the past week Mr. and Mrs. Bill Wiek of Linn Grove, Iowa.

Mrs. Teresa Hawkins is a patient at the Everglades Memorial Hospital this week.

Members of the Pahokee First Baptist Church had as their guest Wednesday night Rev. Hoke Shirley of Fort Lauderdale who delivered the spiritual message at the midweek prayer service at the church.

Legion To Sponsor Dance Monday Eve

Members of Fred and Percy Mansfield Post 90 at a meeting in the Woman's Clubhouse Monday night voted to sponsor a dance in the Elks Hall on the night of May 21 as their part of the activities planned by various civic organizations in celebration of the formal opening of the public swimming pool in the city park on that date. Proceeds from the dance will go into the swimming pool fund.

J. T. Holden, who is drawing the plans for the proposed new Legion Home which is to be located on Canal Point Road, reported that he expects to have the plans completed and ready for inspection by the Legionnaires at their next meeting. At the conclusion of the meeting directors to Post 90, Inc. elected new officers.

Inman Weeks Sells His Hereford Cattle

Over three years ago, Inman Weeks, of Pahokee, extensively known all over the Glades, resigned a position which he had held with the Kilgore interests of Plant City, for many years, to engage in the cattle business.

Mr. Weeks secured and improved cattle land, then began buying registered Hereford cattle for the ranch, which he built up with blooded stock for production purposes, besides other stock for market purposes.

By a fortunate deal he purchased a bull to head his herd by the name of "MW Larry Domino, 108th", and in the period he has owned the animal, he developed into one of the most desirable sires in any herd of its type in Florida.

Other Florida breeders began hearing such good word about the animal and its progeny, that they looked upon the bull with covetous eye and desire, and offers of purchase began to be tossed Mr. Week's way. Finally Mrs. Weeks said: "The pressure became so heavy in a financial offer way, that I could not stand the pressure not to sell 'Larry Domino', for he was becoming too much of a liability to carry, so I sold. But to get the sale through I had to include all my registered herd animals."

The sale was made to the Connell Farms and the Florida Hereford Branch, at Ocala, who are large operators in the Hereford type of cattle.

Mayo To Be Honored At Citrus Exposition

WINTER HAVEN — Former Governor Millard Caldwell will be the master of ceremonies at a luncheon to be given here on February 14. Frank L. Holland of Winter Haven is chairman of the special committee in charge of the luncheon arrangements and invitations have been mailed to a long list of special guests.

One of the big features of the week will be the parade which will mark the opening on Monday, February 14. Chairman Charles Race, chairman of the committee, in charge of the parade, said arrangements have been completed for two flights of B-29 bombers to give an aerial salute to the exposition and that it would be necessary for the best effect to have the parade moving into the grounds of the citrus show exactly at 10:00 a. m. That means the parade must get under way at 9:30.

Special events have been planned for each day. Governor's and Press Day will be held on Friday. Citrus Workers' Day will be observed on Saturday.

MISSION STUDY

Mrs. Vivian Mercer of Canal Point presented a mission study from this text, "Cooperating Southern Baptist," at a supper meeting of the Pahokee Baptist Woman's Missionary Union in the Fellowship Hall Monday night.

Miss Elizabeth Caraway, mission study chairman, was in charge of arrangements for the supper and the mission study program. She was assisted by Mrs. W. M. DuBose, Mrs. J. H. Wilkinson, Jr., and Mr. Horace Unwin. Among the 55 guests present were members of the Canal Point WMU who attended in a body.

Mrs. W. C. Young Has Birthday Party

Dr. Wilburn C. Young gave a surprise lawn party and barbecue at his home in Port Mayaca Sunday for Mrs. Young on her birthday anniversary.

Guests were Mr. and Mrs. Glenn Abbing, Mr. and Mrs. T. C. Richardson, Mr. and Mrs. Hugo Boe and family, Mr. and Mrs. Dow Geiger, Mr. and Mrs. Leonard Maxson and family, Mr. and Mrs. D. W. Cunningham and family, Mr. and Mrs. H. B. Miller, Mrs. Mary Wilson and Grady Echols.

Mr. and Mrs. Lloyd Hundley have as guests her brother and sister-in-law, Mr. and Mrs. Harold Friend, and daughter, Jo Ann, and Mrs. Bruce Behnemer, all of Wichita, Kans.; also Mr. and Mrs. Sidney Dafforn of Kansas City, Mo., and Mrs. Ethel Shrader of Denver, Colo., who are house guests of Mr. and Mrs. Graham Mole during their visit with the Hundleys.

Life Memberships In WSCS Presented

At a meeting of the Pahokee First Methodist Woman's Society of Christian Service in the church auditorium Monday night WSCS life memberships were presented as follows: Adults, Mrs. J. R. York, Mrs. D. W. Cunningham and Mrs. I. M. Lair; infants, Bonnie Jean Frasure, Margaret Jane Cushman and John Andrew Spencer; children, Myra Ruth Frasure, Alice Elaine Hunt, Bonnell Lair and Carolyn Susan Cushman. The adult and infant life memberships were awarded from the society while those presented to the children were gifts from their parents. The presentation of the life memberships was made by Mrs. M. P. Holman, spiritual life chairman, while Mrs. William McClellan played soft piano music.

Mrs. John A. Dulany, WSCS president, named the chairmen of the three circles, Mrs. M. I. Keer, Mrs. L. J. Fraser and Mrs. Jack Phillips on a committee to nominate new WSCS officers.

Announcements were made of plans for a special program in observance of World Day of Prayer on Mar. 4, for a series of cottage prayer meetings in preparation for the coming revival at the church, for a silver tea honoring Rev. and Mrs. C. T. Howes on their 25th wedding anniversary on Mar. 25. It was also announced that the Gertrude Shirley Circle will be responsible for flowers at the church during March.

A mission study of Hawaii, taken from the text, "On Our Own Doorstep," was presented at the meeting by members of the Mary Martha Circle under the direction of Mrs. J. T. Boynton who was introduced by Mrs. Arch Blakey, missionary education chairman. The study was in the form of a playlet in which a "Tour of Hawaii" was made in a dramatic manner by Mrs. Lloyd Hundley, Mrs. Louis Davis, Mrs. Jack Phil-

lips, Mrs. Hugo Roe, Mrs. Calvin Spooner, Mrs. James H. Wilson and Mrs. Clarence Maxwell, accompanied by Mrs. Myers Fountain at the piano. Lets were presented to all persons attending.

It was announced that Mrs. O. H. Pearson, WSCS district president, will be guest of honor at the next meeting of the Pahokee WSCS district president, will be guest of honor at the next meeting of the Pahokee WSCS. Visitors were Mrs. Hillard Shope, Miss Kathryn Leaf, Mrs. K. E. Watson, Miss Irene Beard, Mrs. Paul Watson, Mrs. O. M. Murphy, Mrs. Robert Boyer, Mrs. Quincy Hayser, and Mrs. H. W. Friend and Mrs. Bruce Behmer of Wichita, Kans.

MUST PAY GAS TAX

TALLAHASSEE — The Cuban consul stationed in Florida is not exempt from the state tax on gasoline, Attorney General Richard W. Ervin has advised Frank Wright, assistant to the governor. The Attorney General pointed out that the gas tax is one on the dealer and not on the consumer. The Florida Supreme Court has ruled, he said, that under these circumstances even the United States government is not immune from paying the tax.

"Eat More Citrus" Is Opening Contest

JACKSONVILLE — The "eat more citrus" promotion committee of the Florida State Chamber of Commerce has announced that a statewide citrus cooking recipe contest will be conducted February 13 to March 12, under sponsorship of the Florida Federation of Women's Clubs and the Florida Chain Store Council, Inc.

Harold Cole, executive vice president of the State Chamber of Commerce, said that the contest is open to all women and that cash and merchandise prizes will be awarded winners in three classes — cooked desserts, salads and breads in which citrus fruits and juices are used.

Women desiring to enter the contest may do so by submitting recipes to the Chamber of Commerce nearest their homes. The names of district winners will be announced on or about March 12. On March 27, the name of the state winner will be disclosed, at which time she will be awarded a washing machine. Cash prizes will go to the best district cooks.

Standard cooking measurements must be employed and all recipes will be tested.

BUDGETEERS TRIM

TALLAHASSEE — The state budget board is preparing to tackle the college and universities' budget late this week, after recommending two-year expenditures from the state general fund amounting to nearly \$20,000,000 more than present revenue sources may produce. The budget board, composed of the governor and his cabinet, have trimmed off nearly \$5,000,000 from

departmental requests, but have passed \$173,689,189 already. Budget Director Homer Graham estimates that present tax sources will produce not more than \$154,000,000. The board expects to wind up its sessions late this week and send their report to the printer.

Mr. and Mrs. C. R. Wetherington, Jr., were visitors in Miami over the weekend.

CHILLS - FEVER ONLY - NO MALARIA

May you never be roasted like this!

"NEFF? SURE I REMEMBER HIM. Class of '19, wasn't he?"

"That's right. You knew he had to give up his job. Doctor's orders."

"Tough break. Hope he had some money saved up."

"Not Neff. Not a penny. You know how he always was—easy come, easy go. Had to sell his house to get out of debt."

"Rough on that sweet little wife of his. Now that I think of it, she kept trying to talk him out of his free-spending ways. Guess she never could."

"He'd never listen. And now those two

boys of theirs are of college age."

"Guess now they'll have to go to work, supporting him. Why do people get themselves in a spot like that? Anybody with the common sense of a jack-rabbit knows that the only way to protect their families and themselves is with a systematic plan of saving."

• • •

We don't know Neff. We merely overheard two fellows talking at lunch the other day. Actually we feel sorry for him—for anyone who doesn't know the importance of saving.

Fortunately, for every Neff there are thousands of others who do have a plan for the

future. These are the men who invest a part of their earnings each month in U.S. Savings Bonds.

They can see the wisdom in the Payroll Savings Plan—a painless, automatic plan that pays back \$4 for every \$3 put in, after ten years.

They know that U.S. Savings Bonds are guaranteed by the Government—the safest, surest investment a family man can make today!

If you're not on a payroll, ask at your bank about the equally convenient Bond-A-Month Plan. Remember—you owe it to your own future and to the security of your family!

AUTOMATIC SAVING IS SURE SAVING—U.S. SAVINGS BONDS

IT'S AZALEA TIME OVER FLORIDA

CYPRESS GARDENS, Fla. — The brilliant azalea blossoms are a picture everywhere now and this scene of the colorful flowers in bloom at Cypress Gardens makes Florida look like a paradise on earth.

CHURCH OF CHRIST, SCIENTIST

"SOUL" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, February 13.

The Golden Text is: "The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; he leadeth me beside the still waters. He restoreth my soul" (Psalms 23:1-3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "In God is my salvation and my glory; the rock of my strength, and my refuge, is in God" (Psalms 62:7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If God, who is Life, were parted for a moment from His reflection, man, during that moment there would be no divinity reflected."

But man cannot be separated for an instant from God, if man reflects God. Undisturbed amid the jarring testimony of the material senses, Science, still enthroned, is unfolding to mortals the immutable, harmonious, divine Principle, — is unfolding Life and the universe, ever present and the universe, ever present and eternal" (306:8-10, 18-19, 25).

Mrs. Grady Echols was called to Longdale, Ala., Sunday by the illness of her father, J. L. DeLoach.

Junior Fellowship Party Is Enjoyed

The Rev. and Mrs. Ralph A. Fuller entertained members of the Canal Point Methodist Junior Fellowship group, recently reorganized, with a party at the Sunday school building Friday afternoon. Mrs. J. P. Parker and Mrs. A. R. Harrington, representing the Woman's Society of Christian Service, were in charge of the serving of refreshments to the 18 children present.

It was voted to hold parties for the fellowship group once a month with the WSCS to have charge of the serving of refreshments. A special worship service for the Canal Point Methodist Youth Fellowship is held at the church every Sunday at 6:45 p. m. with Mrs. Boyd Vorhees, assisted by Mrs. James Miller and Mrs. C. L. Stuart, in charge.

Mrs. H. E. Unwin, president of the First Baptist Woman's Missionary Union, has called a meeting of the WMU executive board to be held at her home Thursday, Feb. 17. All officers of standing committees are urged to be present.

Looking ahead to 1952, Powell Crosley, Jr., America's pioneer lightweight car producer, predicts the nation's auto population will jump to over 48,000,000, an increase of 30 per cent.

Canal Point PTA In Regular Meeting

Mrs. Sorchie Baird presented a Founders Day pageant, depicting the cornerstones of PTA, at the February meeting of the Canal Point Parent-Teachers Association held Monday night in the school auditorium.

Those taking part in the pageant were Mrs. R. T. Smith, representing the spirit of the Founders; Mrs. P. Tuberville, the home; Mrs. Vivian Mercer, the school; Mrs. C. L. Stuart, the church; Mrs. W. Shackford, the community; Mrs. Boyd Vorhees, the spirit of PTA, and Mrs. D. L. Friend, PTA president. Several songs were sung by a vocal trio composed of Osceola Upthegrove and Mr. and Mrs. T. Odom, accompanied at the piano by Mr. Odom.

At the business session, with Mrs. Friend presiding, room mothers for the second half of the current school year were named as follows: First grade, Mrs. O. H. Chastain and Mrs. R. T. Smith; second grade, Mrs. J. W. Repper and Mrs. Boyd Vorhees; third grade, Mrs. Oliver Sheppard and Mrs. Pope Sears; fourth grade, Mrs. C. L. Stuart, Mrs. D. L. Hooks and Mrs. Hattie Dixon; fifth grade, Mrs. P. Tuberville and Mrs. J. G. Weeks; sixth grade, Mrs. H. Mead and Mrs. Joe Edenfield. Plans were made to send local delegates to the PTA County Council meeting to be held in South Bay on Feb. 15, starting at 10 a. m. Mrs. Friend named a new girl scout troop committee and a new Brownie leader at the meeting.

Following the meeting refreshments of birthday cake and ice cream were served by Mrs. Pope Sears, Mrs. Perry Hall and Mrs. Clinton Livingston, hostesses.

Paul Sasser, a patient at St. Mary's Hospital, West Palm Beach, is reported to be recovering nicely from a mild attack of polio.

FRONTIER FRUGALITY

TALLAHASSEE — A call for "frontier frugality" was sounded here by T. C. Merchant, Jr., representative of Madison County in the 1949 legislature and editor of the Madison Enterprise-Recorder. He advised capitol spokesmen that

he will oppose all salary increases, may ask the legislature to reduce the number of state workers by 10 per cent and cut the salaries of the rest. Mr. Merchant is the son of a former Madison representative and with his father publishes one of the largest North Florida newspapers.
